**Information Meeting**

Parish Council has worked hard with Des Millar, a local builder, and our engineers on our buildings. We are still doing some investigating on the use of the Tinwald Hall.

We have done some basic strengthening of Lagmhor and St James' churches so that both churches can be used at the moment.

**Next Sunday,** February 9, after worship, we will bring to you information on what is required to strengthen the St Paul's church. There will be plenty of time for questions and discussion.

On February 11, Parish Council will meet and will write recommendations for any Congregational Meetings in the future.

**Senior Women's Group:** Will meet at Oxford Street on Tuesday, 4th starting 10.00 am.

**Parish Council Meeting:** Will meet on Tuesday, February 11, at 7.00 pm at Thomson Street (not Oxford Street as intimated in Stay Connected).
